We are a full service Electronic Monitoring company operating throughout the entire State of Michigan. Currently we utilize Active & Passive GPS Tethers, Continuous Alcohol Monitoring Tethers, SL2/SL3 portable breathalyzer with “Adaptive Facial Recognition” software. HCI has been providing electronic monitoring solutions since 2005. We currently provide service to 18 Sheriff Departments, 6 Juvenile Programs, multiple Pre Trial Departments, Drug and Sobriety courts as well as Probation Departments throughout Michigan. HCI prides itself on being one of the top companies in its respective industry and welcomes the opportunity to demonstrate our equipment and monitoring capabilities.

### We provide the following services:

- Detailed Enrollment form to be submitted to HCI if needed.
- Individual Daily Violation Summaries delivered to your Inbox or Fax machine detailing all violations from the previous day.
- Enroll all devices in software and build individual profiles.
- Utilize detailed mapping software to customize inclusion and exclusion zones.
- Notify Victims or witnesses upon receipt of breached Exclusion Zones.
- Monitor all tethers and portable breathalyzers 24 hours a day 365 days a year.
- 2 hour response time during normal business hours and 24 hours outside of normal hours.
- Weekend and after hour enrollments can be scheduled in advance by appointment.
- 24 hours Help Desk support for clients and defendants to trouble shoot any issues if they arise.
